

Broadloom Carpet and Rugs

AN INTRODUCTION

## FIRTH CARPETS AND FLOORINGS LIMITED

Firth, a trusted UK brand for nearly two centuries, continues to produce superb floor coverings with particular emphasis on high quality bespoke design and colour for the commercial and décor markets. No matter how large or small your project, from stocked tufted and custom woven broadloom through to hand made rugs, our premier service, value and quality is assured.

Our directors and staff have a lifetime of experience in the carpet industry, covering a variety of disciplines. The factor that unites our experience and drives our ambitions as a company is our common aim to provide value and service.

Our organisation is genuinely customer friendly, we guarantee to do our very best to supply products suited to your needs, at competitive prices, when and where you want them.

## DÉCOR

Being the foundation of the business our décor ranges include twists, velvets, silks, loops and custom broadloom made in any width or shapes up to 10 metres to avoid seams and waste.

Stocked ranges are all available in widths, colours, textures and yarn constructions to co-ordinate with and compliment modern or traditional interior projects and 'rapid' samples are available by contacting our head office.

Special requests and requirements can be freely discussed with our experienced and friendly staff in Brighouse by our 'can do' approach.

## RUGS

From fashion stores to boutique hotels, corporate headquarters and luxury homes our rugs are manufactured from the highest quality raw materials to an infinite variety of designs and structures.

These can be made in a multitude of shapes, sizes and edgings from large to small, shaggy, velour, loop, bevelled and carved. They can even be shaped for irregular areas in any colour or made from our standard broadloom qualities.

We can provide a single custom rug through to projects that require multiple pieces - each is a refined, personalised work of art.

## COMMERCIAL

Our Contract Division provides a comprehensive collection of stock ranges, supported by a custom programme offering total flexibility in quality, design and colour.

Stock products offer a broad selection of off-the-shelf solutions for all types of project, particularly where budgets are tight and schedules critical.

Our bespoke service is your best option when you need a tailored product that has special requirements. Cost restraints and tight deadlines can also be discussed and suitable samples provided. We will be happy to give you our very best advice.
